The left hand rhythm mostly seems to be tapping out a clave... though almost always pushing ahead of the beat – along with Stanley Clarke's bass line which I haven't jotted down.. I always loved this solo When I first heard it, I was somewhat floored Brad's seemingly dissonant yet wonderfully melodic lines had developed to an entirely new level.. Keith Emerson - Au Privave (live in Italian TV) an amazing and rare interpretation of the Charlie Parkers bebop classic.. This post contains the following attachment types: -applicationpdf -audiomp3 ELP - The Old CastleBlues Variation (update) From Pictures at an Exhibition (1971), for Keyboard Bass.. To sum up how I interpret what Brad is doing, I believe he is essentially taking the elements that make up the average melodic bebop line and applying them through different cycles, as well as simply interpolating different keys over the harmony of C. Here are the first three choruses of Brad Mehldau's solo from his most recent album recorded at the Village Vanguard in New York City, Brad Mehldau Trio (Live).. As usual, the solo itself also developed and unfolded flawlessly Although I only got around to transcribing the first three choruses, I feel that there is a wealth of information that one can learn from these three alone. PdfNot sure how many of you are the type to wonder what the hell that soloist played there...I was ill today and so started on
something I've been meaning to do for some time as a learning exercise – see what some of my favourite players are actually
playing over those changes.. This is an old favourite; Chick Corea's solo from Spain as recorded with Return to Forever in
